

HELLO!

We're the Federation of Calgary Communities.

We support, train, and encourage community non-profit leaders and volunteers.

We give them the education and tools they need to continue making Calgary a great place to live, work, and play.

We advocate for them and recognize community volunteers making a difference in our city.

WHO WE SERVE

It all starts at the community level.

We serve more than 230 small non-profit organizations, including the 150+ community associations.

Every day these volunteer-run organizations are helping Calgarians and shaping our city.

They are organizations supporting youth and families, seniors, sports and recreation, ethnocultural communities, safety, environment, social services, and the arts.
